Data Analytics

108-2 Teamwork #01
Due at 12h00, May 13, 2020; presentation uploaded to NTU-COOL

1. Look for an exciting dataset for your final project. Make a 5-minute pitch during the live session (10-11h) on May 13, 2020. Here are the minimal settings of the pitch.
   (a) The source of the dataset;
   (b) The problem domain;
   (c) The characteristics of the dataset (dimensions, volume, complexity);
   (d) Any special highlights of the dataset.

   (20%) **Show up** to present the pitch and fulfill the settings above. No show, no gain.
   (10%) Upload the presentation file to COOL before 12h00, May 13, 2020.
